

## REQUEST FOR PROPOSAL

Carlton County Zoning & Environmental Services is seeking quotes for the site preparation, gravel pad, and construction of a garage which will serve as a new Recycling Center for the City of Kettle River and surrounding community.

### EXISTING CONDITIONS

The Recycling Center is to be constructed on vacant lots owned by Carlton County located on Cedar Street. See attached Figure 1 for location and Figure 2 for a photo of the site. Site prep work includes removal of an existing concrete slab prior to construction.

### SCOPE OF SERVICES

- 1) Demolition and removal of an existing 24' x 28' concrete slab.
- 2) Ground preparation of site, including build up, compaction, and tapered perimeter.
- 3) Construction of a 20' x 26' garage with 8' ceiling, 42" door for patrons, and overhead door. Steel roofing and steel siding (white in color). Windows: 2 - Vector 4' x 2' gliders.
- 4) Installation of gravel drive and gravel pad for dumpsters in the dimensions illustrated on Figure 3, for a total gravel area of 1,890 square feet.

### TIMELINE

The project shall be completed by September 1, 2020.

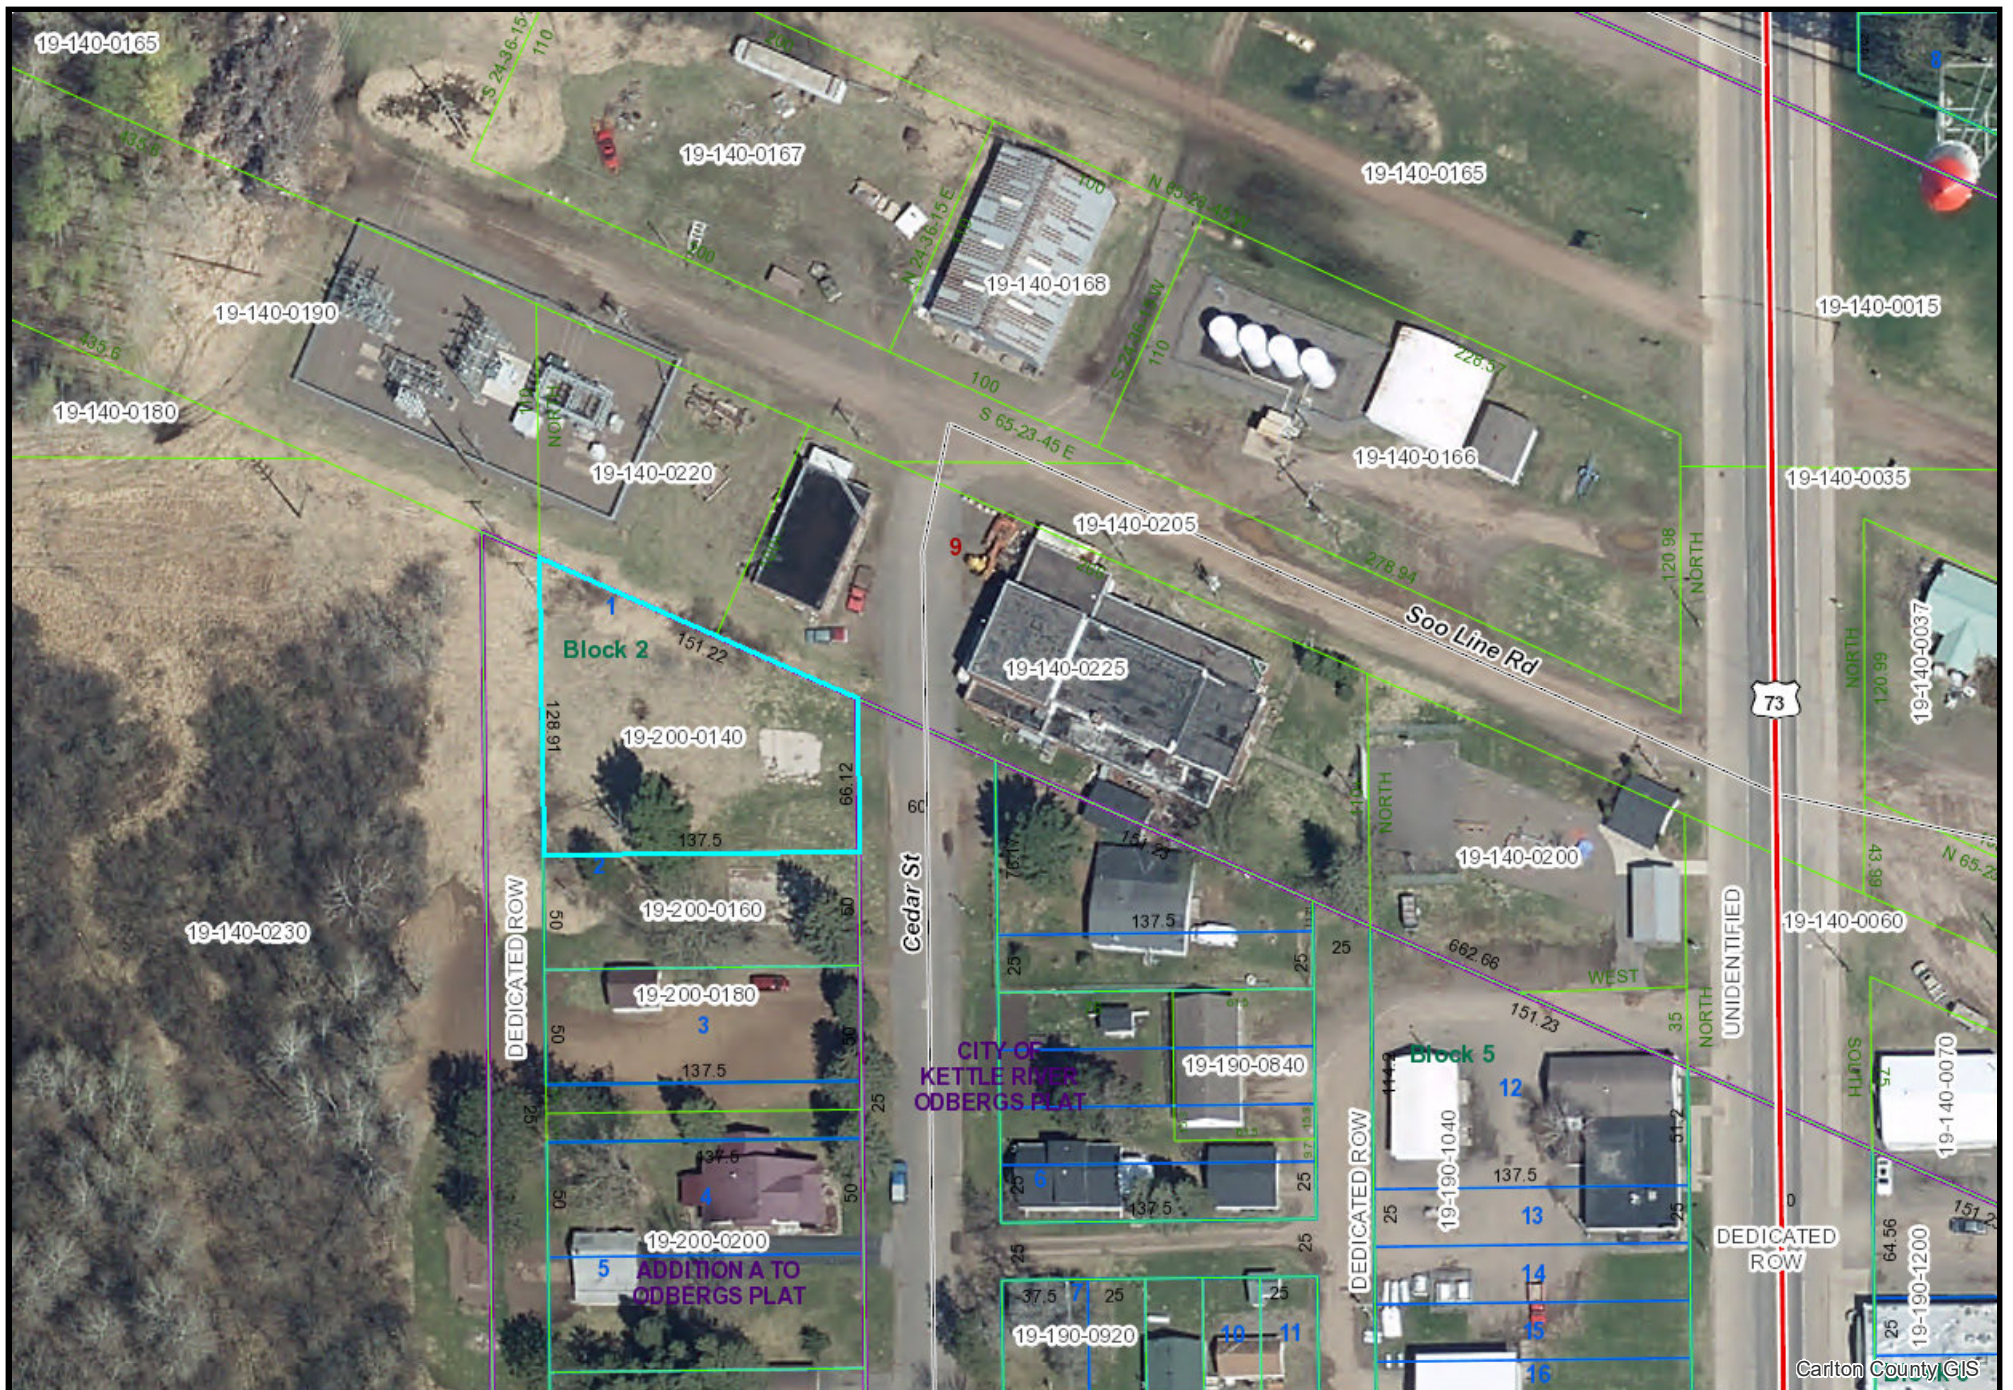

### PROPOSALS

The County will be accepting proposals until January 31, 2020, at 1:00 p.m. The contractor shall furnish the following with the proposal:

- 1) Proof of Insurance which fulfills all requirements of the Workers Compensation Act.
- 2) Proof of general liability insurance.

Proposals can be mailed, faxed or emailed to:
