

CARLTON COUNTY
SUBSURFACE SEWAGE TREATMENT SYSTEM ORDINANCE
ORDINANCE #30
INDEMNIFICATION AGREEMENT
PROPERTY OWNER INSTALLING OWN SSTS

Property owners may be permitted to install or repair an SSTS on property they own and occupy and are exempt from providing proof of a state SSTS license.

Property owners doing their own work shall comply with the applicable requirements set forth in the Carlton County Subsurface Sewage Treatment System Ordinance, Ordinance #30.

Property owner, by signature below, hereby indemnifies and holds Carlton County harmless from all losses, damages, costs and charges that may be incurred by the County due to the failure of the property owner to conform to and comply with the provisions of the SSTS Ordinance.

CARLTON COUNTY
SUBSURFACE SEWAGE TREATMENT SYSTEM ORDINANCE
ORDINANCE #30
AGREEMENT WITH A LICENSED DESIGNER
PROPERTY OWNER INSTALLING OWN SSTS

Property owners may be permitted to install or repair an SSTS on property they own and occupy and are exempt from providing proof of a state SSTS license.

Property owners doing their own work shall comply with the applicable requirements set forth in the Carlton County Subsurface Sewage Treatment System Ordinance, Ordinance #30.

Article 4, Section 5, 3 of Ordinance #30 requires the property owner to have a licensed designer present during critical points of the installation as laid out in said section.

This document verifies, below, the property owner and designer have agreed to comply with Article 4, Section 5, 3 and the designer will be present at those stated points.
