# News Release

## Annual Treecycling Locations

CARLTON, MN – Carlton County residents are encouraged to recycle their fresh-cut Christmas trees during Treecycling, a free program with drop-off locations throughout the region. Christmas trees, like yard waste, are banned from landfills in Minnesota. Dispose of your trees properly by bringing them to a conveniently located Treecycling site.

Please remove all ornaments, lights, tree stands and tree bags before bringing trees to a Treecycling location.
